

STAY REPORT

1. Delegation composition, visited institutions and dates.

Composition of the delegation

<i>Num.</i>	<i>Name</i>	<i>Institution</i>	<i>Position</i>
1	Virginia Díaz Barcos	UPM	Professor

(* As the most of the stays have been collective visits, reports are structured by delegation in order to simplify management; in the case of a single person stay, just use one line; include as many lines as people composed the delegation *)

Full period of stay

<i>Num.</i>	<i>Name</i>	<i>Start Date*</i>	<i>End Date**</i>
1	Virginia Díaz Barcos	1 st December 2013	15th December 2013

* *Start Date, when the researcher leaves her/his Institution.*

** *End Date, when the researcher returns to her/his Institution.*

(* State the duration of the stay for any member of the delegation; these can be different *)

Destinations and dates*

<i>Num.</i>	<i>Name</i>	<i>Visited Institution**</i>	<i>Start Date</i>	<i>End Date***</i>
1	Virginia Díaz Barcos	NERCITA	Dec 1 nd	Dec 2 nd
		CAU	Dec 3rd	Dec 3rd
		TJCC	Dec 4th	Dec 4th
		TMMCNAP	Dec 5th	Dec 5th
		SDAU	Dec 8th	Dec 9 th
		NERCITA	Dec 10 th	Dec 15 th

* *During a full stay, different Institutions can be visited; these different visits are enlisted here; generating different records on the stay's database.*

** *Institutions are named by their acronym as detailed in the Annex I.*

*** *When a day includes activities in more than one place, it is selected the place where the most of the time has been used.*

(* The member of a delegation can visit different partners of the counterpart area during a single journey; here you must state the time at every partner; start and end dates of the full period must be considered as limits of the detailed stays *)

2. Technical visits.

<i>Institution/Company:</i>	TJCC		
<i>Date:</i>	Dec 4th	<i>Location:</i>	Tianjin
<i>Person/s of contact:</i>	Li Zhenfa		
<i>Delegation participants:</i>	Virginia Díaz Barcos		

Short Description of the Institution/company:	Visit of Wuqing innovation base, Wuqing meteorology Bureau and Tianjin Meteorology Bureau
Comments about the visit:	

Institution/Company:	SDAU		
Date:	Dec 9th	Location:	Tai'an
Person/s of contact:	Wang Yan'an		
Delegation participants:	Virginia Díaz Barcos		
Short Description of the Institution/company:	Visit of Feicheng apple orchard base		
Comments about the visit:			

(* Fulfill a specific table for every technical visit *)

3. Speeches and participation in Workshops/Conferences/Courses.

Title of the presentation:	Research activities UPM group		
Speaker:	Virginia Díaz Barcos		
Organization:*	Kick-off Meeting		
Date:	Dec 10 th	Location:	Kick-off Meeting
Person/s of contact:	Li Ming and Fernando Bienvenido		
Short summary of the presentation:	Research activities performed by the group for Universidad Politécnica de Madrid (UPM)		
Public:			

* Indicate the Institution where the talk has been given, and in the case of formal workshops or Congress its name.

(* Fulfill a specific table for every talk developed under the framework of the stay *)

4. Summary of the exchange and research developed.

Prof. Virginia Díaz Barcos went to China on December 2013. She was there for taking part in the kick-off meeting. It was a great experience to meet the other partners of the TEAP project, from both sides, Europe and China. She also visited on site every partner: NERCITA, CAU, TJCC, TMMCNAP, SDAU except the GZNCP.
