

## Cómo añadir publicaciones desde Google Scholar

*Si el autor dispone de perfil en Google Scholar..... 1*

*Si el autor no dispone de perfil en Google Scholar..... 4*

### Si el autor dispone de perfil en Google Scholar

Es necesario tener perfil en Google Scholar

Desde el perfil de Google Scholar, marcar las publicaciones y exportar a BibTeX.

Your profile is private and won't appear in search results. [Make my profile public](#) [Preview public version](#)

En la siguiente pantalla, podemos añadir todas las publicaciones (**save all**) o añadir una a una (**save**)

Las publicaciones quedarán integradas en ORCID

## Si el autor no dispone de perfil en Google Scholar

Es necesario darse de alta en Google Scholar y crearse una cuenta

Entrar en <https://scholar.google.es/>. Ir a **Citations** y crear perfil (es necesario tener una cuenta de gmail)

The screenshot shows the Google Scholar Citations page. At the top, there is a navigation bar with links for About, Search, Citations, Inclusion, Metrics, Publishers, and Libraries. A 'Search Scholar' button is located on the right. On the left, there is a sidebar with links for Overview, Setup, Citations, Updates, and Questions. The main content area is titled 'Google Scholar Citations' and contains introductory text about the feature. A blue button labeled 'Get started with Google Scholar Citations' is positioned at the bottom of the main content area.

- We'll use a statistical authorship model to identify new articles that you write. We may also update bibliographic information for articles in your profile or identify duplicate article entries, which could be merged or deleted. How would you like to handle these changes?
  - Automatically update the list of articles in my profile. *(recommended)*
  - Don't automatically update my profile. Send me email to review and confirm updates.
- You can also add and remove individual articles, update their bibliographic data, and merge duplicate records. Rest assured, our automatic updates will preserve your edits and will not override them.
- We'll collect and display citations to your articles from all of Google Scholar. The citations will update automatically to reflect changes in your profile and in Google Scholar.
