TAILOR MADE

SUMMER SCHOOL

TAILOR MADE

Customized academic programmes for groups looking to receive high quality tuition

This format allows a partner University to send groups of 10 or more students to get specific training in any of the following areas

- Engineering (Agriculture, Industrial or Chemistry)
- Environmental Sciences
- Financial Economy and Accounting
- Business and Marketing
- Social Sciences
- Education and Psychology
- Spanish Language, Culture and Literature

University of Almería understands the importance of learning goes beyond classroom walls. In order to fully understand European history and Spanish passion, they will offer an array of cultural activities designed to help expand student knowledge including a city tour that highlights the historical center of the city, a trip to Cabo de Gata Natural Park (a UNESCO protected Global Geopark), a guided visit to Almería War Shelters (the largest subterranean shelters in Europe), and a trip to Granada and Alhambra, one of Islam most important architectural feats.

SUMMER SCHOOL

Our courses are designed for International Students and are taught by Professors of proven expertise and experience. All courses have a practical approach and include visits to leading companies and research centers. All courses include a Transcript of Records for 3, 6, 8 or 10,6 ECTS, as per course length.
