

University of Almeria

A sea of knowledge

A sea of **KNOWLEDGE**

Creating TALENT

The UAL is a cutting-edge university, deeply committed to the social and economic development of its environment and the employability of its students, with a strong focus on internationalisation.

Its dynamism and high capacity to adapt to changes promote **innovation**, **teaching quality**, and its **scientific** and **entrepreneurial vocation**.

The UAL offers a diverse range of academic programmes and is located in a **unique interdisciplinary campus** by the sea, boasting modern facilities, technology, and a vibrant cultural and sports life.

Quality and Excellence

International Rankings

The UAL consistently garners recognition in renowned rankings, including the **Shanghai Ranking**, **Times Higher Education (THE)**, and the sustainability-focused **THE Impact** ranking.

It also holds a strong position in the **U-multirank** ranking, particularly notable for its global orientation.

Vision for **FUTURE**

Scientific vocation

The University of Almeria excels in areas such as **agri-food, biotechnology, environmental studies, natural resource management,** and **circular bioeconomy.** It houses renowned research centers, high-level laboratories, and research groups at the forefront of pioneering **R&D projects** with significant international influence.

technology

A privileged location

Our campus is strategically situated in a prime location, near the **Cabo de Gata-Níjar Natural Park** and approximately 5 km from the city center. It is well-connected by public transportation and features a **bike path** that follows the coastline and connects with the city.

To accomplish its sustainability goals, the UAL has developed a **Smart Campus** strategy centered on advanced technology, harnessing the potential of Information and Communication Technology (ICT).

spaces
for meeting
and sharing

Annually, the UAL updates its **Environmental Sustainability Action Plan**, demonstrating its dedication to fostering a comprehensive environmental consciousness. This includes initiatives aimed at promoting energy efficiency, reducing pollutants and waste, prioritizing eco-friendly and recyclable materials, and advancing sustainable mobility practices.

We actively contribute to the **Sustainable Development Goals (SDGs)** outlined in the **UN Agenda 2030**.

a sustainable
and **HEALTHY**
environment

Furthermore, the UAL is featured in **THE Impact** sustainability ranking, showcasing our prominent standing in the evaluation of all 17 SDGs collectively.

Unforgettable **EXPERIENCES**

A LIVELY campus

The UAL presents a diverse and vibrant cultural and sports programme that is accessible to both the university community and the whole of local society. This includes **exhibitions, concerts, theater performances, cinema screenings, visual arts, photography**, etc.

Diverse indoor and outdoor sports options that fit a wide variety of preferences. These range from **fitness, running, swimming**, and **hiking** to **personalized training** programmes, as well as thrilling adventure sports like **water skiing, canyoning, kayaking**, and **caving**.

Tradition and **PROGRESS**

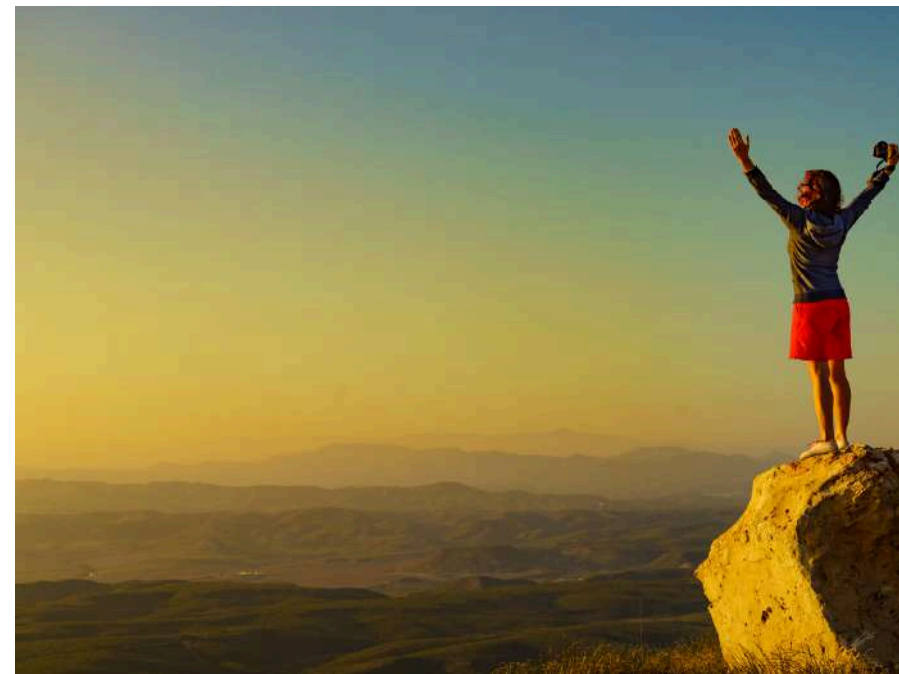

A warm and **welcoming city**

The University of Almeria provides its students with the unique opportunity to live and study in an exceptional region of Spain. Situated in the southeastern part of the country, Almeria boasts numerous attractions that continually draw visitors and tourists from around the globe, making it an increasingly appealing destination.

The warm and welcoming nature of the people of Almeria, our historical and cultural heritage, breathtaking landscapes, as well as the proximity to La Alpujarra and the Sierra Nevada ski resort, enhance the university experience and create unforgettable memories.

Cosmopolitan and multicultural

A campus full of opportunities open to the world

The University of Almeria is deeply committed to internationalization, positioning itself as a pivotal strategic partner in diverse fields of knowledge.

Through its collaborations with institutions worldwide and robust international mobility initiatives, UAL fosters multiculturalism and language acquisition within its university community. This dedication makes it a top choice for international students and researchers.

Education and training
without borders

More than **600 agreements**
